INDALA COLLEGE OF ENGINEERING

Kalyan–Bapsai, Maharashtra | Student & Parent Information Guide | Academic Year 2026–27

Managed by: Kai Bhaskarrao Mahajan Samajik, Shaikshnik Va Sanskrutik Sanstha

Institution: Indala College of Engineering (also presented on the official website as Indala College of Engineering & Polytechnic).

Approvals / affiliation stated by the institution: Approved by AICTE and DTE, Government of Maharashtra; affiliated to the University of Mumbai. Polytechnic programmes are listed separately under MSBTE.

About the College

Indala College of Engineering is located at Bapsai on Kalyan–Murbad Road, Taluka Kalyan, District Thane. It offers undergraduate engineering programmes and promotes practical learning through laboratories, technical activities, internships and industry interaction.

Important: This guide summarises published information for 2026–27. Course availability, eligibility, seat allotment and fees must be reconfirmed from the official college and Maharashtra State CET Cell portals before admission.

1. Available Engineering Courses

Engineering branch	Duration	First-year intake
Civil Engineering	4 years	60
Computer Engineering	4 years	60
Electrical Engineering	4 years	60
Information Technology	4 years	60
Mechanical Engineering	4 years	60
Artificial Intelligence (AI) & Data Science	4 years	60

The college lists 60 seats for each of the six first-year branches (360 total). Direct Second Year (DSE) entry is also listed for all six branches; actual seat availability is subject to the official CAP process.

2. Eligibility Criteria

First Year (B.E. – 4 years)

• Candidate must be an Indian national.
• HSC or equivalent with Physics and Mathematics as compulsory subjects, plus one of Chemistry / Biotechnology / Biology / Technical / Vocational subject; minimum 45% aggregate in the specified subjects (40% for eligible Maharashtra State reserved-category and PwD candidates). A valid score in the entrance examination conducted by the Competent Authority is required.
• Alternative routes listed by the college: Diploma in Engineering & Technology with at least 45% (40% for eligible categories), or a recognised B.Sc. degree with at least 50% (45% for eligible categories), subject to applicable admission rules.

Direct Second Year (DSE / Lateral Entry)

• Candidate must be an Indian national.
• Diploma in Engineering & Technology in an appropriate branch from an approved institution with at least 45% marks (40% for eligible Maharashtra State reserved-category and PwD candidates); OR a recognised B.Sc. degree with at least 45% (40% for eligible categories) and HSC with Mathematics.
• DSE admissions are handled through the State CET Cell. B.Sc. entrants may have to clear specified first-year engineering subjects as prescribed.

Always check the current Maharashtra CET Cell Information Brochure for exact subject combinations, entrance-test requirements, category concessions and year-specific rules.

3. Admission Process

First Year Engineering – general CAP route

1. Appear for the applicable entrance examination (normally MHT-CET; other eligible routes follow the current admission brochure).
2. Register online on the Maharashtra State CET Cell portal when CAP registration opens.
3. Complete the application and document verification.
4. Check provisional/final merit lists and resolve discrepancies within the notified schedule.
5. Fill and confirm the option form, listing Indala College and preferred branches in order.
6. Check seat allotment. If allotted, accept the seat and report to the institute within the deadline with original documents and fee payment.
7. Complete institute admission formalities and collect the confirmation/receipt.

Direct Second Year (DSE)

Eligible Diploma/B.Sc. candidates must register for the separate DSE process on the State CET Cell portal, complete document verification, check the merit list, fill the option form, and follow the allotment and reporting schedule. The college states DSE admissions are handled by the State CET Cell and there are no institutional-quota admissions for DSE.

Against-CAP vacancies

If seats remain vacant after CAP rounds, check college and CET Cell notices for the vacancy-round procedure. Confirm the process and official receipt directly with the college.

4. Documents Required

Keep originals and photocopy sets ready. The final list depends on entry route and category.

• MHT-CET / applicable entrance scorecard and application printout
• CAP allotment letter and seat-acceptance / fee-payment receipt, when allotted
• SSC (Class 10) marksheet and certificate
• HSC (Class 12) marksheet and passing certificate
• DSE: Diploma all-semester marksheets and certificate; B.Sc. route: degree marksheets/certificate and HSC Mathematics proof
• Domicile / nationality certificate, as applicable
• Leaving / Transfer Certificate from last institution
• Migration certificate, if applicable
• Caste certificate and caste validity certificate, if applicable
• Non-Creamy Layer certificate, if applicable
• Income certificate, where required for fee benefit / scholarship
• Gap affidavit, if applicable
• Aadhaar card copy and recent passport-size photographs
• Any additional documents specified in current DTE/CET Cell notices.

For reserved-category fee benefits, submit valid certificates within the authority’s deadlines. Confirm whether originals, e-verification or prescribed formats are required.

5. Fee Structure – Academic Year 2026–27

The college’s published fee document shows the following standard First Year CAP fee for each of the six engineering branches:

Fee component	Amount (■)
Tuition fee	66,063
Development fee	6,937
University fee	449
Caution money	2,000
Total – First Year CAP	**75,449**

Published category-wise CAP totals: Open / Minority: ■75,449; OBC / SEBC male (with required valid documents): ■42,418; OBC / SEBC female: ■9,396; SC/ST: ■2,459; TFWS: ■9,396; NT/DT/SBC: ■9,396. Concessions depend on category, gender, income and verification of prescribed certificates. Confirm the applicable amount with the college before payment.

Against-CAP vacancy seats: The fee document lists ■73,449 (tuition ■66,063 + development ■6,937 + university fee ■449); confirm the payable amount and any applicable deposits directly with the college.

Other note: Students from boards other than Maharashtra State Board may have to pay an additional eligibility fee of ■300. The college says payments are through its online payment system (DD / UPI / net banking); cash is not accepted. Fees and concessions may change under FRA / government directions.

6. Scholarships & Financial Assistance

The college lists merit-based awards, need-based assistance for eligible economically weaker students, government scholarships / fee reimbursements under State CET Cell and DTE rules, and institution-level support subject to approval each academic year. Students should check MahaDBT and the college scholarship office for scheme eligibility, deadlines and required certificates.

8. Important Notes for Students & Parents

• Course intake and eligibility are based on published 2026–27 information; final seat availability is governed by the official CAP matrix and allotment.
• Category concessions apply only when prescribed certificates are valid and accepted by authorities.
• Hostel, transport, examination, uniform, books and other additional charges are not included unless shown in the published fee schedule. Ask the college for written, itemised confirmation.
• This guide is for information only; it is not an admission offer or guarantee of a seat.
